

## Permission to Store Information and the Use of Photographs

Name of Camper \_\_\_\_\_

PIPEDA-Bill C-6 stands for Personal Information Protection and Electronic Documents Act which came into effect on January 1, 2004. It governs how personal information gathered from campers and parents is collected, stored, shared and used. Essentially it means that you have control over the use of your personal information.

In accordance with the legislation, Paddles in Action requests your permission to keep your personal information on file. This comprises information we have gathered from your registration package. We access your registration package which consists of medical, payment, contact, etc. to ensure the health and safety of our campers while at camp, to process registrations, tax receipts and for the distribution of Paddles in Action publications and letters to parents.

I understand the previous paragraph and give permission for Paddles in Action permission to use and store the information that I have provided.
